

SONOS

Port

The versatile streaming component for your stereo or receiver.

- Plug in the audio equipment you already own and listen out loud.
- Stream everything you love using the Sonos app and AirPlay2.
- Use line-in to connect your turntable, or play music straight from a friend's phone on your stereo.
- 12V trigger automatically turns your amplifier on and off.

Specifications

Feature

Description

Audio

Sound Quality THD+N<0.009%, 20 Hz-20 kHz
